

## INDEPENDENT AUDITORS' REPORT

To

The Members of

PRASHNSHA CERAMICS LIMITED

Report on the Audit of the Financial Statements

#### Opinion

We have audited the accompanying financial statements of Prashansha Ceramics Limited ("the Company") which comprise the Balance Sheet as at 31st March 2020, the statement of profit and loss (including other comprehensive income), the statement of changes in equity and the statement of cash flows for the year then ended and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ('Ind AS") and the other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2020 and its loss and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

## **Basis for Opinion**

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

#### Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Shareholder's Information, but does not include the financial statements and auditor's report thereon.

Chartered

Accountants

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements to give a true and fair view of the financial position, financial performance, other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concerns and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

#### Auditors' Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is high level of assurance, but is not a guarantee that audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatements of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not

detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of the internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the
  disclosure, and whether the financial statements represent the underlying transactions and events
  in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

## Report on Other Legal and Regulatory Requirements

- As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India terms of sub-section (11) of section 143 of the Act, we give in the Annexure A, a statement on the matters specified in clause 3 and 4 of the Order, to the extent applicable.
- As required by section 143(3) of the Act, we report that:
  - We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;
- d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
- e) On the basis of written representations received from the directors as on 31st March 2020, and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2020, from being appointed as a director in terms section 164(2) of the Act;
- With respect to the adequacy of internal financial controls over financial reporting of the Company and operating effectiveness of such controls, our separate report in annexure - B may be referred;
- g) No remuneration is paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanation given to us:
  - The Company does not have any pending litigations on its financial position in its financial statements.
  - ii. The Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses;
  - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

# ANNEXURE - A TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

On the basis of such checks as we considered appropriate and in terms of information and explanations given to us, we state that:

- 1 In respect of fixed assets:
  - The Company has maintained proper records showing full particulars including quantitative details and situation of fixed assets.
  - b. The fixed assets were physically verified by the management at reasonable intervals in a phased manner in accordance with a programme of physical verification. No discrepancies were noticed on such verification.
  - The title deeds of immovable properties are held in the name of the Company.
- Since no inventories are held by the Company during the year, provisions of clause 3(ii) of the Order are not applicable to the Company.
- 3 The Company has not granted any loans, secured or unsecured to the companies, firms or other parties covered in the register maintained under section 189 of the Companies Act, 2013.
- Since the company has not given loans, investments, guarantees and security under Section 185 and 186 of the Act, provisions of clause 3(iv) of the Order are not applicable to the Company.
- The Company has not accepted any deposits within the meaning of the provisions of section 73 to 76 of the Companies Act, 2013 and the rules framed thereunder.
- 6 The Central government has not prescribed maintenance of cost records under Section 148(1) of the Companies Act, 2013.
- 7 In respect of statutory and other dues:
  - a. The Company has generally been regular in depositing undisputed statutory dues, including Provident Fund, Employees State Insurance, Income Tax, Custom Duty, Cess, Goods & Service Tax and other statutory dues, to the extent applicable, with the appropriate authorities during the year. There are no undisputed statutory dues outstanding for a period of more than six months from the date they became payable.
  - b. There are no statutory dues, which have not been deposited on account of dispute.
- 8 The Company has not obtained any borrowings from any financial institutions or government or by way of debentures.
- 9 The Company has not raised any money, during the year, by way of public offer (including debt instruments) or term loans.

- 10 To the best of our knowledge and belief and according to the information and explanations given to us, no fraud on or by the Company or on the Company by its officers or employees was noticed or reported during the year.
- Since the Company has not paid any managerial remuneration during the year, the provisions of 11 clause 3(xi) of the Order are not applicable to the Company.
- Since the Company is not a Nidhi Company, the provisions of clause 3 (xii) of the Order are not 12 applicable to the Company.
- 13 All transactions with the related parties are in compliance with Section 177 and 188 of the Act and the details have been disclosed in the financial statements as required by the applicable accounting standards.
- The Company has not made any preferential allotment or private placement of equity shares or 14 fully or partly convertible debentures during the year under the review.
- The Company has not entered into any non-cash transactions during the year with directors or 15 persons concerned with him.
- The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 16 1934.

## ANNEXURE - B TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 2 (f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

We have audited the internal financial controls over financial reporting of Prashansha Ceramics Limited ("the Company") as of 31st March, 2020 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ("the Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that -

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

## Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### Opinion

In our opinion, the Company has, in all material respects an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note.

#### **COMPANY INFORMATION**

Prashansha Ceramics Limited (the 'Company') is a public limited Company domiciled in India and incorporated under the provisions of the Companies Act applicable in India. The registered office of the Company is located at Jamnagar - Dwarka Highway, Khambhalia - 361 001.

The financial statements ('the financial statements") were authorized for issue in accordance with the resolution of the Board of Directors on 9th July 2020.

# 1 BASIS OF PREPARATION, MEASUREMENT AND SIGNIFICANT ACCOUNTING POLICIES

These financial statements are the separate financial statements of the Company (also called standalone financial statements) prepared in accordance with the Indian Accounting Standards ('Ind AS') notified under section 133 of the Companies Act, 2013, read together with the Companies (Indian Accounting Standards) Rules, 2015, as applicable.

The financial statements have been prepared on accrual and going concern basis. The accounting policies are applied consistently to all the periods presented in the financial statements. All assets and liabilities have been classified as current or noncurrent as per the Company's normal operating cycle and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013. The Company adopts operating cycle based on the project period and accordingly, all project related assets and liabilities are classified into current and non-current. The Company considers 12 months as normal operating cycle.

The Company's financial statements are reported in Indian Rupees, which is also the Company's functional currency, and all values are rounded to the nearest lacs except otherwise indicated.

## 1.2 Significant accounting policies:

#### a. System of accounting

The financial statements of the Company are prepared in accordance with Indian Accounting Standards (Ind AS), under the historical cost convention on the accrual basis as per the provisions of Companies Act, 2013 ("Act"), except in case of significant uncertainties.

These financial statements are prepared under the historical cost convention unless otherwise indicated.

The Company presents assets and liabilities in the balance sheet based on current/non-current classification. It is held primarily for the purpose of being traded:

- It is expected to be realized within 12 months after the reporting date;
- It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.
- All other assets are classified as non-current.
- A liability is classified as current when it satisfies any of the following criteria:
  - It is expected to be settled in the Company's normal operating cycle;
  - It is held primarily for the purpose of being traded;
  - It is due to be settled within 12 months after the reporting date;
  - There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

Chartered

Accountants

- ♣ All other liabilities are classified as non-current.
- Deferred tax assets and liabilities are classified as non-current only.

#### b. Key accounting estimates

The preparation of the financial statements, in conformity with the recognition and measurement principles of Ind AS, requires the management to make estimates and assumptions in the application of accounting policies that affect the reported amounts of assets, liabilities, income, expenses and disclosure of contingent liabilities as at the date of financial statements and the results of operation during the reported period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates which are recognised in the period in which they are determined.

The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

Estimates and judgements are regularly revisited. Estimates are based on historical experience and other factors, including futuristic reasonable information that may have a financial impact on the Company.

#### c. Standards issued but not effective:

The amendments are proposed to be effective for reporting periods beginning on or after 1st April, 2020.

#### 1. Ind AS 117 - Insurance Contracts:

Ind AS 117 supersedes Ind AS 104 Insurance Contracts. It establishes the principles for the recognition, measurement, presentation and disclosure of insurance contracts within the scope of the standard. Under the Ind AS 117 model, insurance contract liabilities will be calculated as the present value of future insurance cash flow with a provision for risk. Application of this standard is not expected to have any significant impact on the Company's financial statements.

## 2. Amendments to existing standards:

Ministry of corporate affairs has carried out amendments of the following accounting standards:

- Ind AS 103 Business Combination
- Ind AS 1 Presentation of financial statements
- · Ind AS 8 Accounting policies, changes in accounting estimates and errors
- Ind AS 40 Investment property

The company is in the process of evaluating the impact of the new amendments issued but not yet effective.

#### d. Property, plant and equipment

- (i) Property, plant and equipment are stated at historical cost of acquisition including attributable interest and finance costs, if any, till the date of acquisition/installation of the assets less accumulated depreciation and accumulated impairment losses, if any.
- (ii) Subsequent expenditure relating to property, plant and equipment is capitalised only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are charged to the statement of profit and loss as incurred.
- (iii) The cost and related accumulated depreciation are eliminated from the financial statements, either on disposal or when retired from active use and the resultant gain or loss are recognised in the statement of profit and loss.

- (iv) On transition to Ind AS, the Company has opted to continue with the carrying values measured under the previous GAAP as at 1 April 2016 of its property, plant and equipment and use that carrying value as the deemed cost of the property, plant and equipment on the date of transition i.e. 1 April 2016.
- (v) The Company depreciates property, plant and equipment on straight line method over the estimated useful life prescribed in Schedule II of the Companies Act, 2013 from the date the assets are ready for intended use after considering the residual value.

## e. Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprises of balance with banks and cash on hand and short term deposits with an original maturity of three month or less, which are subject to insignificant risks of changes in value.

#### f. Equity instruments:

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments which are issued for cash are recorded at the proceeds received, net of direct issue costs.

#### g. <u>Trade payables</u>

A payable is classified as a trade payable if it is in respect of the amount due on account of goods purchased or services received in the normal course of business. These amounts represent liabilities for goods and services provided to the Company prior to the end of the financial year which are unpaid. These amounts are unsecured and are usually settled as per the payment terms. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period.

#### h. Revenue Recognition

- (i) Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are net of goods and service tax (GST) as applicable and returns, discounts, rebates and incentives. The Company recognises revenue when the amount of revenue can be reliably measured and it is probable that future economic benefits will flow to the Company.
- (ii) Domestic sales are accounted for on dispatch from the point of sale corresponding to transfer of significant risks and rewards of ownership to the buyer.
- (iii) Revenue in respect of other income is recognised on accrual basis. However, where the ultimate collection of the same lacks reasonable certainty, revenue recognition is postponed to the extent of uncertainty.

#### Borrowing costs

Borrowing costs consist of interest and other costs that the Company incurs in connection with the borrowing of funds. Also, the effective interest rate amortisation is included in finance costs. Borrowing costs relating to acquisition, construction or production of a qualifying asset which takes substantial period of time to get ready for its intended use are added to the cost of such asset to the extent they relate to the period till such assets are ready to be put to use. All other borrowing costs are expensed in the statement of profit and loss in the period in which they occur.

#### j. <u>Taxation</u>

(i) Current income tax is recognised based on the estimated tax liability computed after taking credit for allowances and exemptions in accordance with the Income Tax Act, 1961. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Accountants

(ii) Deferred tax is determined by applying the balance sheet approach. Deferred tax assets and liabilities are recognised for all deductible temporary differences between the financial statements' carrying amount of existing assets and liabilities and their respective tax base. Deferred tax assets and liabilities are measured using the enacted tax rates or tax rates that are substantively enacted at the reporting date. The effect on deferred tax assets and liabilities of a change in tax rates is recognised in the period that includes the enactment date. Deferred tax assets are only recognised to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilised. Such assets are reviewed at each reporting date to reassess realisation. Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities.

#### k. Provisions and contingent liabilities

The Company creates a provision when there is present obligation (legal or constructive) as a result of past events that probably requires an outflow of resources and a reliable estimate can be made of the amount of obligation. Contingent liabilities are disclosed in respect of possible obligations that arise from past events, whose existence would be confirmed by the occurrence or non-occurrence of one or more uncertain future events. Contingent assets are neither recognised nor disclosed in the financial statements.

#### Impairment of non financial assets

As at each reporting date, the Company assesses whether there is an indication that a non-financial asset may be impaired and also whether there is an indication of reversal of impairment loss recognised in the previous periods. If any indication exists, or when annual impairment testing for an asset is required, the Company determines the recoverable amount and impairment loss is recognised when the carrying amount of an asset exceeds its recoverable amount. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, then the previously recognised impairment loss is reversed through the statement of profit and loss.

#### m. Earnings Per Share

- (i) Basic earnings per share is computed by dividing the net profit or loss for the period attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources.
- (ii) For the purpose of calculating diluted earning per share, the net profit or loss for the period attributable to the equity shareholders and the weighted average number of equity shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

#### n. Offsetting instruments

Financial assets and liabilities are offset and the net amount reported in the balance sheet when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

#### o. Events after the reporting period

Adjusting events are events that provide further evidence of conditions that existed at the end of the reporting period. The financial statements are adjusted for such events before authorisation for issue.

Non-adjusting events are events that are indicative of conditions that arose after end of the reporting period. Non-adjusting events after the reporting date are not accounted, but disclosed.

Note 17 Financial risk management

The Company's activities expose it to credit risk and liquidity risk.

Risk	Exposure arising from	Measurement	Management
Credit Risk	Cash and cash equivalents, financial assets and trade receivables	Credit ratings Aging analysis	Diversification of counter parties, investment limits, check on counter parties basis credit rating and number of overdue days
Liquidity Risk	Other liabilities	Maturity analysis	Maintaining sufficient cash/cash equivalents and marketable securities

The Board provides guiding principles for overall risk management as well as policies covering specific areas such as credit risk and investment of surplus liquidity.

## Note 18 Capital management

The Company's capital management objective is to maximise the total shareholder returns by optimising cost of capital through flexible capital structure that supports growth. Further, the Company ensures optimal credit risk profile to maintain/enhance credit rating.

The Company determines the amount of capital required on the basis of annual operating plan and long-term strategic plans. The funding requirements are met through internal accruals and long-term/short-term borrowings. The Company monitors the capital structure on the basis of net debt to equity ratio and maturity profile of the overall debt portfolio of the company.

The following table summarises the capital of the Company:

		(₹ in lacs)
Particulars	As at	
ramculars	31st March 2020	31st March 2019
Total debt	253.53	217.01
Total equity	(126.91)	(88.34)
Total debt to equity ratio	(2.00)	(2.46)

# Dividends

The Company has not paid any dividends for the financial periods covered in the financial statements.

- 19. On the principles of prudence and uncertainty of the deferred tax reversals in the subsequent years, deferred tax assets are not recognized and accounted for in accordance with the Indian Accounting Standard (Ind AS) 12 "Income Tax".
- 20. In the opinion of the directors, the current assets, loans and advances are approximately of the value as stated in the balance sheet, if realized in the ordinary course of the business. The provision of all known liabilities is adequate and not in excess of the amount reasonably required.
- 21. Related Party Transactions with the holding company, Bombay Minerals Limited
  - a. Outstanding Balances:

Loan taken: ₹ 275.55 lacs (₹ 275.55 lacs) Trade payables: ₹ 11.12 lacs (₹ 10.36 lacs)

b. Transactions:

Repayment of Loan: Nil (₹ 90.00 lacs) Purchases of materials: Nil (₹ 143.20 lcas)

- 22. As none of the vendors are registered under Micro, Small and Medium Enterprises Development Act, 2006, disclosure relating to amounts unpaid as at the year end together with interests paid/payable under this act is not applicable.
- 23. All the amounts have been stated in ₹ in lacs, unless otherwise stated.
- 24. Previous year's figures are regrouped and rearranged, wherever necessary.
