

BOMBAY MINERALS LIMITED

**FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31st MARCH 2022**

INDEPENDENT AUDITOR'S REPORT

To
The Members of
BOMBAY MINERALS LIMITED

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **Bombay Minerals Limited** ("the Company") which comprise the balance sheet as at 31st March 2022, the statement of profit and loss including other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and the other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2022, its loss including other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("the ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Management Discussion and Analysis, Shareholder's Information, but does not include the financial statements and auditor's report thereon. The Board's Report and other information are expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

When we read the aforesaid reports and information, if we conclude that there is material misstatement therein, we are required to communicate the matter to those charged with governance.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements to give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concerns and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is high level of assurance, but is not a guarantee that audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatements of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of the internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosure, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

- 1 As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India terms of sub-section (11) of section 143 of the Act, we give in the Annexure - A, a statement on the matters specified in clause 3 and 4 of the Order, to the extent applicable.
2. As required by section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;

- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- c) The balance sheet, the statement of profit and loss including other comprehensive income, statement of changes in equity and the cash flow statement dealt with by this Report are in agreement with the books of account;
- d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2015;
- e) On the basis of written representations received from the directors as on 31st March 2022, and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2022, from being appointed as a director in terms section 164(2) of the Act;
- f) With respect to the adequacy of internal financial controls over financial reporting of the Company and operating effectiveness of such controls, our separate report in annexure - B may be referred;
- g) No remuneration is paid by the Company to its directors during the year. Hence, the question of compliance with provisions of section 197 of the Act does not arise.
- h) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanation given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements;
 - ii. The Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. a. The Management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- b. The Management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the Company from any person or entity, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- c. Based on such audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) above, contain any material misstatement.
- v. The dividend declared or paid during the year by the Company is in compliance with section 123 of the Act.

ANNEXURE - A TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

On the basis of such checks as we considered appropriate and in terms of information and explanations given to us, we state that:

- 1 In respect of property, plant and equipment:
 - a. The Company has maintained proper records showing full particulars including quantitative details and situation of property, plant and equipment.
 - b. The Company has maintained proper records showing full particulars of intangible assets.
 - c. Property, plant and equipment were physically verified by the management at reasonable intervals in a phased manner in accordance with a programme of physical verification. No material discrepancies were noticed on such verification.
 - d. The title deeds of immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in the financial statements included under property, plant and equipment are held in the name of the Company.
 - e. The Company has not revalued any of its property, plant and equipment (including right of use assets) or intangible assets during the year.
 - f. There are no proceedings initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 as amended and Rules made thereunder.
- 2 In respect of inventories:
 - a. The physical verification of inventory has been conducted at reasonable intervals by the Management during the year and, in our opinion, the coverage and procedure of such verification by Management is appropriate. The discrepancies noticed on physical verification of inventory as compared to book records have been properly dealt with in the books of account.
 - b. During the year, the Company has been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate, from banks on the basis of security of current assets of the Company. The quarterly returns or statements filed by the Company with such banks are generally in agreement with the books of account. The difference is not material which is on account of valuation, provisions etc. during the course of audit subsequent to the submission of such returns or statements.
- 3 In respect of investments, guarantees or securities provided or loans or advances in the nature of loans granted by the Company:
 - a. The Company has not provided any loans or advances in the nature of loans or stood guarantee or provided security to any other entity during the year except:

Particulars	Loans (₹ in lacs)
Aggregate amount granted during the year- others	4.06
Balances outstanding as on balance sheet date - subsidiary	175.12
Balances outstanding as on balance sheet date - others	3.39

- b. The terms and conditions of the grant of these loans are not prejudicial to the interest of the Company *except that no interest is being charged on these loans.*
 - c. In respect of loans granted by the Company, the schedule of repayment of principal has been stipulated and the repayments are regular.
 - d. There is no overdue amount in respect of loans granted.
 - e. No loans or advances in the nature of loans granted by the Company that have fallen due during the year, have been renewed or extended or fresh loans granted to settle the overdues of existing loans given to the same parties.
 - f. The Company has not granted any loans or advances in the nature of loans that are either repayable on demand or without specifying any terms or period of repayment.
- 4 The Company has complied with provisions of Section 185 and 186 of the Act in respect of loans, investments, guarantees and security, to the extent applicable.
 - 5 The Company has not accepted any deposits from public or amounts which are deemed to be deposits within the meaning of sections 73 to 76 of the Act and rules made thereunder, to the extent applicable *except for advances from customers aggregating to ₹ 1,139.52 lac, which, in the opinion of the management, are accepted in the ordinary course of business.*
 - 6 We have broadly reviewed the cost records maintained by the Company pursuant to Section 148(1) of the Companies Act, 2013 and are of the opinion that, prima facie, the prescribed cost records have been maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
 - 7 In respect of statutory and other dues:
 - a. The Company has generally been regular in depositing undisputed statutory dues, including provident fund, employees state insurance, income tax, cess, goods & service tax and other statutory dues, to the extent applicable, with the appropriate authorities during the year. There are no undisputed statutory dues outstanding for a period of more than six months from the date they became payable.
 - b. There are no statutory dues, which have not been deposited on account of dispute except:

Nature of Dues	Financial Year	₹ in lacs	Forum where dispute is pending
Income Tax	2011-2012, 2012-2013, 2015-2016 2017-2018	2,137.27	The Commissioner of Income Tax (Appeals)
Excise Duty	2005-2006 To 2013-2014	2,921.09	Custom, Excise and Service Tax Appellate Tribunal

- 8 The Company has not surrendered or disclosed any transactions, previously unrecorded in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year.
- 9 a. The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
- b. The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.
- c. The term loans have been applied for the purposes for which they were obtained.
- d. On an overall examination of the financial statements of the Company, the Company has used funds raised on short-term basis aggregating to ₹ 939.76 lacs for long-term purposes as on the balance sheet date.
- e. On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiary or associates. The Company does not have any joint venture companies.
- f. The Company has not raised loans during the year on the pledge of securities held in its subsidiaries.
- 10 a. The Company has not raised any money during the year by way of initial public offer or further public offer (including debt instruments).
- b. The Company has not made any preferential allotment or private placement of shares or fully/partly convertible debentures during the year and hence, the requirement to report under clause 3(x)(b) of the Order is not applicable.
- 11 a. No fraud by the Company or no fraud on the Company has been noticed or reported during the year.
- b. No report under sub-section (12) of section 143 of the Act has been filed in Form ADT-4 as prescribed under Rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
- c. The Company has not received any whistle blower complaint during the year and up to the date of this report.
- 12 The Company is not a Nidhi Company as per the provisions of the Act. The requirement to report under clause 3 (xii) of the Order is, therefore, not applicable.
- 13 Transactions with the related parties are in compliance with Section 177 and 188 of the Act, wherever applicable and the details have been disclosed in the financial statements as required by the applicable accounting standards.
- 14 a. The Company has an internal audit system commensurate with the size and nature of its business.
- b. We have considered the internal audit reports of the Company issued till date for the period under audit.

- 15 The Company has not entered into any non-cash transactions with its directors or persons connected with its directors.
- 16
- a. The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934.
 - b. The Company has not conducted any non-banking financial or housing finance activities without obtaining a valid certificate of registration (CoR) from the Reserve Bank of India as per the Reserve Bank of India Act, 1934.
 - c. The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India.
 - d. There is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly the requirement to report under clause 3(xvi)(d) of the Order is not applicable.
- 17 The Company has incurred cash losses of Rs. 729.86 lacs in the current year. The Company has not incurred cash losses in the immediately preceding financial year.
- 18 There has been no resignation by the statutory auditors of the Company during the year.
- 19 According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- 20 There are no unspent Corporate Social Responsibility (CSR) amounts required to be transferred under sub-section (5) or (6) of Section 135 of the Act.

ANNEXURE - B TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 (f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

We have audited the internal financial controls over financial reporting of **Bombay Minerals Limited** ("the Company") as of 31st March, 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("the ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by the ICAI and prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that -

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Notes forming part of the financial statements for the year ended 31st March 2022

COMPANY INFORMATION

Bombay Minerals Limited (the 'Company') is a public company domiciled in India and incorporated on 24th January, 1953 under the provisions of the Companies Act. The Company is engaged in the mining, manufacturing and trading of various minerals and its derivatives products. The registered office of the Company is located at Dwarka Highway, Opp. Ashok Petrol Pump, Khambhalia, Jamnagar- 361 305, India. The Company is a subsidiary company of Ashapura Minechem Limited.

The financial statements ('the financial statements') were authorized for issue in accordance with the resolution of the Board of Directors on 30th May, 2022.

1 BASIS OF PREPARATION, MEASUREMENT AND SIGNIFICANT ACCOUNTING POLICIES

These financial statements are prepared in accordance with the Indian Accounting Standards ('Ind AS') notified under section 133 of the Companies Act, 2013, read together with the Companies (Indian Accounting Standards) Rules, 2015, as applicable.

The financial statements have been prepared on accrual and going concern basis. The accounting policies are applied consistently to all the periods presented in the financial statements. All assets and liabilities have been classified as current or non current as per the Company's normal operating cycle and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013. The Company adopts operating cycle based on the project period and accordingly, all project related assets and liabilities are classified into current and non-current. The Company considers 12 months as normal operating cycle.

The Company's financial statements are reported in Indian Rupees, which is also the Company's functional currency, and all values are rounded to the nearest lacs except otherwise indicated.

1.2 Significant accounting policies:

a. System of accounting

The financial statements of the Company are prepared in accordance with Indian Accounting Standards (Ind AS), under the historical cost convention on the accrual basis as per the provisions of Companies Act, 2013 ("Act"), except in case of significant uncertainties.

The Company presents assets and liabilities in the balance sheet based on current/non-current classification. It is held primarily for the purpose of being traded:

- It is expected to be realized within 12 months after the reporting date;
- It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.
- All other assets are classified as non-current.
- A liability is classified as current when it satisfies any of the following criteria:
 - It is expected to be settled in the Company's normal operating cycle;
 - It is held primarily for the purpose of being traded;
 - It is due to be settled within 12 months after the reporting date;
 - There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.
- All other liabilities are classified as non-current.
- Deferred tax assets and liabilities are classified as non-current only.

b. Key accounting estimates

The preparation of the financial statements, in conformity with the recognition and measurement principles of Ind AS, requires the management to make estimates and assumptions in the application of accounting policies that affect the reported amounts of assets, liabilities, income, expenses and disclosure of contingent liabilities as at the date of financial statements and the results of operation during the reported period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates which are recognised in the period in which they are determined.

The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

Estimates and judgements are regularly revisited. Estimates are based on historical experience and other factors, including futuristic reasonable information that may have a financial impact on the Company.

c. Property, plant and equipment

- (i) Property, plant and equipment are stated at historical cost of acquisition including attributable interest and finance costs, if any, till the date of acquisition/installation of the assets less accumulated depreciation and accumulated impairment losses, if any.
- (ii) Subsequent expenditure relating to property, plant and equipment is capitalised only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are charged to the statement of profit and loss as incurred.
- (iii) The cost and related accumulated depreciation are eliminated from the financial statements, either on disposal or when retired from active use and the resultant gain or loss are recognised in the statement of profit and loss.
- (iv) Capital work-in-progress, representing expenditure incurred in respect of assets under development and not ready for their intended use, are carried at cost. Cost includes related acquisition expenses, construction cost, related borrowing cost and other direct expenditure.
- (v) On transition to Ind AS, the Company has opted to continue with the carrying values measured under the previous GAAP as at 1 April 2016 of its property, plant and equipment and use that carrying value as the deemed cost of the property, plant and equipment on the date of transition i.e. 1 April 2016.
- (vi) The Company depreciates property, plant and equipment on written down value method over the estimated useful life prescribed in Schedule II of the Companies Act, 2013 from the date the assets are ready for intended use after considering the residual value.
- (vii) Intangible assets comprise of implementation cost for software and other application software acquired/developed for in-house use. These assets are stated at cost. Cost includes related acquisition expenses, related acquisition expenses, related borrowing costs, if any, and other direct expenditure.

d. Investments and financial assets

(i) Investments in subsidiary and associate

Investments in subsidiary and associate are recognised at cost and not adjusted to fair value at the end of each reporting period. Cost represents amount paid for acquisition of the said investments.

The Company assesses at the end of each reporting period, if there is any indication that the said investments may be impaired. If so, the Company estimates the recoverable value of the investments and provides for impairment, if any, i.e. the deficit in the recoverable value over cost.

(ii) Other investments and financial assets

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instrument.

On initial recognition, a financial asset is recognised at fair value, in case of financial assets which are recognised at fair value through profit and loss (FVTPL), its transaction costs are recognised in the statement of profit or loss. In other cases, the transaction costs are attributed to the acquisition value of financial asset.

Financial assets are subsequently classified measured at –

- amortised cost
- fair value through profit and loss (FVTPL)
- fair value through other comprehensive income (FVOCI).

Financial assets are not reclassified subsequent to their recognition except if and in the period the Company changes its business model for managing financial assets.

Financial asset is derecognised only when the Company has transferred the rights to receive cash flows from the financial asset. Where the entity has transferred the asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, financial asset is derecognised.

In accordance with Ind AS 109, the Company applies the expected credit loss ("ECL") model for measurement and recognition of impairment loss on financial assets and credit risk exposures. The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. Simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECL at each reporting date, right from its initial recognition. For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition.

e. Inventories

- (i) Raw materials and stores and spares are valued at weighted average cost including all charges in bringing the materials to the present location or net realizable value, whichever is lower.
- (ii) Finished and semi-finished goods are valued at the cost plus direct expenses and appropriate value of overheads or net realizable value, whichever is lower.

- (iii) Obsolete, slow moving and defective inventories are written off/valued at net realisable value during the year as per policy consistently followed by the Company.

f. Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprises of balance with banks and cash on hand and short term deposits with an original maturity of three month or less, which are subject to insignificant risks of changes in value.

g. Trade receivables

A receivable is classified as a trade receivable if it is in respect of the amount due on account of goods sold or services rendered in the normal course of business. Trade receivables are recognised initially at fair value and subsequently measured net of any expected credit losses.

h. Equity instruments:

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments which are issued for cash are recorded at the proceeds received, net of direct issue costs.

i. Financial liabilities

- (i) Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss.
- (ii) Financial liabilities are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Financial liabilities carried at fair value through profit and loss are measured at fair value with all changes in fair value recognised in the statement of profit and loss.
- (iii) Financial liabilities are derecognised when the obligation specified in the contract is discharged, cancelled or expires.

j. Trade payables

A payable is classified as a trade payable if it is in respect of the amount due on account of goods purchased or services received in the normal course of business. These amounts represent liabilities for goods and services provided to the Company prior to the end of the financial year which are unpaid. These amounts are unsecured and are usually settled as per the payment terms. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period.

k. Revenue Recognition

- (i) Revenue from contract with customers is recognised when the Company satisfies performance obligation by transferring promised goods and services to the customer. Performance obligations are satisfied at a point of time or over a period of time. Performance obligations satisfied over a period of time are recognised as per the terms of relevant contractual agreements/arrangements. Performance obligations are said to be satisfied at a point of time when the customer obtains controls of the asset.
- (ii) Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are net of goods and service tax (GST) as applicable

and returns, discounts, rebates and incentives. The Company recognises revenue when the amount of revenue can be reliably measured and it is probable that future economic benefits will flow to the Company.

- (iii) Domestic sales are accounted for on dispatch from the point of sale corresponding to transfer of significant risks and rewards of ownership to the buyer.
- (iv) Export sales are recognised on the date of the mate's receipt/shipped on board signifying transfer of risks and rewards of ownership to the buyer as per terms of sales and initially recorded at the relevant exchange rates prevailing on the date of the transaction.
- (v) Export incentives are accounted for on export of goods if the entitlements can be estimated with reasonable accuracy and conditions precedent to claim are reasonably expected to be fulfilled.
- (vi) Revenue in respect of other income is recognised on accrual basis. However, where the ultimate collection of the same lacks reasonable certainty, revenue recognition is postponed to the extent of uncertainty.

l. Mining Expenses:

Expenses Incurred on mining including removal of overburden of mines are charged to the profit & loss statement as mining cost on the basis of quantity of minerals mined during the year since overburden of removal and mining are carried out concurrently and relatively within a short period of time. Mining restoration expenses are annually reviewed and provided for.

m. Foreign currency transactions

- (i) Items included in the financial statements are measured using the currency of primary economic environment in which the company operates ("the functional currency"). The financial statements are presented in Indian Rupee (INR), which is the company's functional and presentation currency.
- (ii) Foreign currency transactions are initially recorded in the reporting currency at foreign exchange rate on the date of the transaction.
- (iii) Monetary items of current assets and current liabilities denominated in foreign currencies are reported using the closing rate at the reporting date. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.
- (iv) The gain or loss on decrease/increase in reporting currency due to fluctuations in foreign exchange rates are recognised in the statement of profit or loss.

n. Employee benefit expenses

- (i) Contributions to defined contribution schemes such as provident fund, employees' state insurance, labour welfare fund etc. are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. These benefits are classified as defined contribution schemes as the Company has no further obligations beyond the monthly contributions.
- (ii) The Company provides for gratuity which is a defined benefit plan, the liabilities of which are determined based on valuations, as at the reporting date, made by an independent actuary using the projected unit credit method. Re-measurement

comprising of actuarial gains and losses, in respect of gratuity are recognised in the other comprehensive income in the period in which they occur. Re-measurement recognised in other comprehensive income is not reclassified to the statement of profit and loss in subsequent periods. Past service cost is recognised in the statement of profit and loss in the year of plan amendment or curtailment. The classification of the Company's obligation into current and non-current is as per the actuarial valuation report.

- (iii) Other long term employee benefits comprise of compensated absences/leaves. The actual valuation is done as per projected unit credit method. Remeasurements as a result of experience adjustments and changes in actual assumptions are recognised in the Statement of Profit and Loss.

o. Leases

Company as lessee

The Company applies the short-term lease recognition exemption to its short-term leases of machinery and equipment (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases of office equipment that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

Company as lessor

Leases in which the Company does not transfer substantially all the risks and rewards incidental to ownership of an asset are classified as operating leases. Rental income arising is accounted for on a straight-line basis over the lease terms. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income.

p. Borrowing costs

Borrowing costs consist of interest and other costs that the Company incurs in connection with the borrowing of funds. Also, the Effective interest rate amortisation is included in finance costs. Borrowing costs relating to acquisition, construction or production of a qualifying asset which takes substantial period of time to get ready for its intended use are added to the cost of such asset to the extent they relate to the period till such assets are ready to be put to use. All other borrowing costs are expensed in the statement of profit and loss in the period in which they occur.

q. Impairment of non financial assets

As at each reporting date, the Company assesses whether there is an indication that a non-financial asset may be impaired and also whether there is an indication of reversal of impairment loss recognised in the previous periods. If any indication exists, or when annual impairment testing for an asset is required, the Company determines the recoverable amount and impairment loss is recognised when the carrying amount of an asset exceeds its recoverable amount. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, then the previously recognised impairment loss is reversed through the statement of profit and loss.

r. Taxation

- (i) Current income tax is recognised based on the estimated tax liability computed after taking credit for allowances and exemptions in accordance with the Income Tax Act, 1961. Current income tax assets and liabilities are measured at the amount expected to

be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

- (ii) Deferred tax is determined by applying the balance sheet approach. Deferred tax assets and liabilities are recognised for all deductible temporary differences between the financial statements' carrying amount of existing assets and liabilities and their respective tax base. Deferred tax assets and liabilities are measured using the enacted tax rates or tax rates that are substantively enacted at the reporting date. The effect on deferred tax assets and liabilities of a change in tax rates is recognised in the period that includes the enactment date. Deferred tax assets are only recognised to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilised. Such assets are reviewed at each reporting date to reassess realisation. Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities.

s. Provisions and contingent liabilities

The Company creates a provision when there is present obligation (legal or constructive) as a result of past events that probably requires an outflow of resources and a reliable estimate can be made of the amount of obligation.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events, whose existence would be confirmed by the occurrence or non-occurrence of one or more uncertain future events. Contingent assets are neither recognised nor disclosed in the financial statements.

t. Impairment of non financial assets

As at each reporting date, the Company assesses whether there is an indication that a non-financial asset may be impaired and also whether there is an indication of reversal of impairment loss recognised in the previous periods. If any indication exists, or when annual impairment testing for an asset is required, the Company determines the recoverable amount and impairment loss is recognised when the carrying amount of an asset exceeds its recoverable amount. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, then the previously recognised impairment loss is reversed through the statement of profit and loss.

u. Earnings per share

- (i) Basic earnings per share is computed by dividing the net profit or loss for the period attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources.
- (ii) For the purpose of calculating diluted earning per share, the net profit or loss for the period attributable to the equity shareholders and the weighted average number of equity shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

v. Offsetting instruments

Financial assets and liabilities are offset and the net amount reported in the balance sheet when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

w. Events after the reporting period

Adjusting events are events that provide further evidence of conditions that existed at the end of the reporting period. The financial statements are adjusted for such events before authorisation for issue.

Non-adjusting events are events that are indicative of conditions that arose after end of the reporting period. Non-adjusting events after the reporting date are not accounted, but disclosed.

x. Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the operating decision makers. The decision makers regularly monitor and review the operating result of the whole Company. The activities of the Company primarily falls under a single segment of "Minerals and its derivative products" in accordance with the Ind AS 108 "Operating Segments".

y. Custom Duty and GST:

Purchases of goods and fixed assets are accounted for net of GST input credits. Custom duty paid on import of materials is dealt with in respective material accounts.

Other components of equity		
Remeasurement of debined benefit plans (net of tax)	(75.40)	(71.36)
	(75.40)	(71.36)
Total other equity	10,272.80	11,284.94

Capital redemption reserve: The Company is required to create a capital redemption reserve from distributable profit if the buy-back of shares is out of free reserves, the nominal value of the shares so purchased is required to be transferred to capital redemption reserve.

General reserve: The Company has transferred a portion of the net profit of the Company before declaring dividend to general reserve pursuant to the earlier provisions of Companies Act, 1956. Mandatory transfer to general reserve is not required under Companies Act, 2013.

Retained earnings: Retained earnings are the profits that the Company has earned till date, less transfers to general reserve, dividends or other distributions paid to shareholders.

Net gain/(loss) on fair value of defined benefit plans: The Company has recognised remeasurement gains/(loss) on defined benefit plans in OCI. These changes are accumulated within the OCI reserve within other equity. The Company transfers amount from this reserve to retained earnings when the relevant obligations are derecognized.

Note 30**Financial risk management**

The Company's activities expose it to credit risk, liquidity risk and market risk.

Risk	Exposure arising from	Measurement	Management
Credit Risk	Cash and cash equivalents, financial assets and trade receivables	Credit ratings Aging analysis	Diversification of counter parties, investment limits, check on counter parties basis credit rating and number of overdue days
Liquidity Risk	Other liabilities	Maturity analysis	Maintaining sufficient cash/cash equivalents and marketable securities
Market Risk	Financial assets and liabilities not denominated in INR	Sensitivity analysis	Constant evaluation and proper risk management policies

The Board provides guiding principles for overall risk management as well as policies covering specific areas such as foreign exchange risk, credit risk and investment of surplus liquidity.

A. Credit risk

Credit risk refers to the risk of a counter party default on its contractual obligation resulting into a financial loss to the Company. The maximum exposure of the financial assets represents trade receivables, work in progress and receivables from group companies and others.

In respect of trade receivables, the Company uses a provision matrix to compute the expected credit loss allowances for trade receivables in accordance with the expected credit loss (ECL) policy of the Company. The Company regularly reviews trade receivables and necessary provisions, whenever required, are made in the financial statements.

B. Liquidity risk

The Company manages liquidity risk by maintaining adequate reserves and banking facilities by continuously monitoring forecast and actual cash flows and by matching the maturity profiles of financial assets and liabilities. The table below provides details of financial assets:

The Company manages liquidity risk by maintaining adequate reserves and banking facilities by continuously monitoring forecast and actual cash flows and by matching the maturity profiles of financial assets and liabilities.

(Indian ₹ in lacs)

C. Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Such changes in the values of financial instruments may result from changes in foreign currency exchange rates, interest rates, credit, liquidity and other market changes.

The Company has several balances in foreign currency and consequently, the Company is exposed to foreign exchange risk. The Company evaluates exchange rate exposure arising from foreign currency transactions and follows established risk management policies.

a) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates. The Company manages its interest rate risk by having a balanced portfolio of fixed and variable rate loans and borrowings, wherever possible.

b) Interest rate sensitivity:

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Company's profit before tax is affected through the impact on floating rate borrowings, as follows:

(Indian ₹ in lacs)

Particulars	Increase/decrease in basis points	Effect of profit before tax
31st March, 2022	+100	51.35
	-100	(51.35)
31st March, 2021	+100	35.11
	-100	(35.11)

Company's exposure to foreign currency risk at the end of each reporting period is as under:

c) Exposure in foreign currency -Hedged The Company has no hedged foreign currency exposure at the end of the relevant period.

d) Exposure in foreign currency - Unhedged

(in lacs)		
Currency	31st March 2022	31st March 2021
Receivables		
USD	17.51	8.04
Payables		
USD	0.23	0.23

e) Foreign currency sensitivity

The Company is mainly exposed to changes in USD. The below table demonstrates the sensitivity to a 5% increase or decrease in the USD against INR, with all other variables held constant. The sensitivity analysis is prepared on the net unhedged exposure of the Company as at reporting date. 5% represents management's assessment of reasonably possible change in foreign exchange rate.

(Indian ₹ in lacs)			
Particulars	Currency	Change in rate	Effect on profit before tax
Thursday, March 31, 2022	USD	+5%	65.49
	USD	-5%	(65.49)
Wednesday, March 31, 2021	USD	+5%	29.21
	USD	-5%	(29.21)

Note 31

Capital management

The Company's capital management objective is to maximise the total shareholder returns by optimising cost of capital through flexible capital structure that supports growth. Further, the Company ensures optimal credit risk profile to maintain/enhance credit rating.

The Company determines the amount of capital required on the basis of annual operating plan and long-term strategic plans. The funding requirements are met through internal accruals and long-term/short-term borrowings. The Company monitors the capital structure on the basis of net debt to equity ratio and maturity profile of the overall debt portfolio of the company.

The following table summarises the capital of the Company:

(Indian ₹ in lacs)		
Particulars	As at 31st March 2022	31st March 2021
Total debt	5,135.12	3,511.17
Total equity	10,294.61	11,306.75
Total debt to equity ratio	0.50	0.31

Dividends

(Indian ₹ in lacs)		
Dividends recognised in the financial statements	31st March 2022	31st March 2021
final dividend for the year ended 31st March, of ₹ 2.50 per equity share	5.45	5.45

Dividends not recognised in the financial statements

Directors have recommended the payment of final dividend of ₹ 2.50 per share. The proposed dividend is subject to the approval of the shareholders in ensuring general meeting.	5.45	5.45
---	------	------

Note 32**Contingent Liabilities**

(Indian ₹ in lacs)

No.	Particulars	31st March 2022	31st March 2021
1	Some retrenched employees of the company have filed suits against the company in the labour court for compensation and reinstatement. The liability in respect of this, in the opinion of the management, is unascertainable.		
2	Disputed liabilities in respect of excise duty	2,993.81	2,993.81
3	In respect of disputed income tax liabilities	2,137.27	1,864.48

Note 33**Employee benefits****Funded Scheme - Gratuity**

Liability for employee gratuity has been determined by an actuary, appointed for the purpose, in conformity with the principles set out in the Indian Accounting Standard 19 the details of which are as hereunder. The Company makes contributions to approved gratuity fund.
